Day 7 – Jasper / VIA Rail

Monday / Saturday

There is time today to explore the town of Jasper on your own. Shopping, restaurants, and museums are available to explore. Jasper National Park was established in 1907 and is the largest at 10,878 sq km (4200 sq. mi) and most northerly of the Rocky Mountain National Parks. Jasper National Park became a UNESCO World Heritage Site in 1984, along with the neighbouring parks, Banff, Yoho and Kootenay. In 1990 these four national parks - combined with the three adjoining British Columbia Provincial Parks of Mount Robson, Mount Assiniboine and Hamber - became the Canadian Rocky Mountain Parks UNESCO World Heritage Site. The tallest peak in Jasper National Park is Mount Robson at 3,954 metres (12,872 ft). Early evening transfer to VIA Rail station for departure east. *Overnight VIA Rail. Dinner included aboard VIA Rail.*

Day 8 – VIA Rail

Tuesday / Sunday

Look out your Sleeper Plus Class accommodation window and see the panoramic views of the province of Saskatchewan. Saskatchewan covers 651,900 square kilometres, more than a quarter million square miles. Contrary to popular belief, fully one half the province is covered by forest, one-third is farmland and one-eighth is fresh water with nearly 100,000

lakes! Head up to the dining car for expertly made freshly served cuisine prepared by professional chefs. Dietary needs can be accommodated (let us know early) for those who must have specific meals. Your stopover in Winnipeg this evening provides time to have a quick exploration of the city of Winnipeg. Check with your rail attendant prior to disembarking the train this evening. Winnipeg (population 671,000) is Canada's oldest western city, dating from 1812. The downtown area is a mix of modern towers, heritage buildings and older established neighbourhoods. Union Station was built in 1911 to serve the many rail lines that made Winnipeg the crossroads of Canada. The same architects who created New York's famous Grand Central Station designed the station's massive dome, the interior of which is delicately plastered in pink and white. *Continental breakfast, brunch & dinner served aboard VIA Rail.*

Day 9 – VIA Rail

Wednesday / Monday

Relax today as you take in the winding twists and turns of the train as you travel over bridges and through tunnels. The land suddenly changes from marshy flatlands and sugar beet fields to rock and scrub bush. The Prairies have been left behind and we are entering the rugged and rocky Canadian Shield. Endless lakes and rivers populate the areas passed through. Watch for mink, otter,

beaver, lynx, moose, bear and wildfowl.
